

SKY-SBM-200

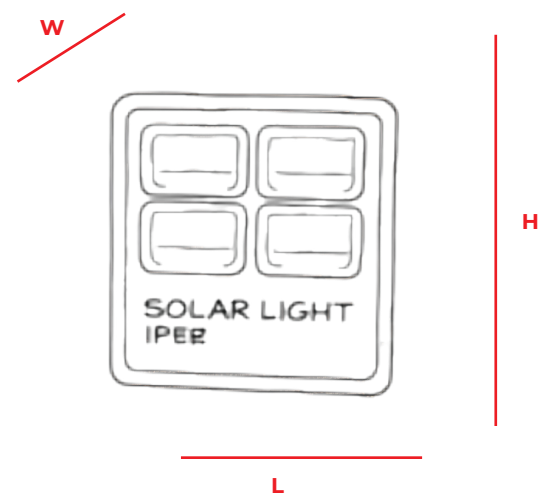

Solar Floodlight

 **1 YEAR**
Warranty

The SKY-SBM-200 is a powerful solar-powered floodlight ideal for sites without access to electrical infrastructure. Engineered with an integrated solar panel and battery, this standalone unit delivers 200W of reliable LED lighting and is perfect for enhancing security at estate gates, perimeter walls, rural areas, or isolated installations.

Built to perform in any environment, it features fast charging (6–8 hours), 20-hour operation time, and robust weather resistance (IP65). An ideal solution for sustainable outdoor lighting in off-grid locations.
