

# NLG036

Stainless Steel Up & Down Light

 **5 YEAR**  
Warranty

The NLG036 is a robust, stainless steel outdoor wall light that delivers dual-directional lighting in a sleek cylindrical form.

Designed for 2 x GU10 LED lamps, it's ideal for modern exterior installations in residential or commercial projects.

With IP54 protection, it's built to withstand outdoor conditions while offering stylish illumination for entrances, walkways, or feature walls. A reliable, high-demand SKU for lighting professionals.
