

ZXN2802 PEDESTALS

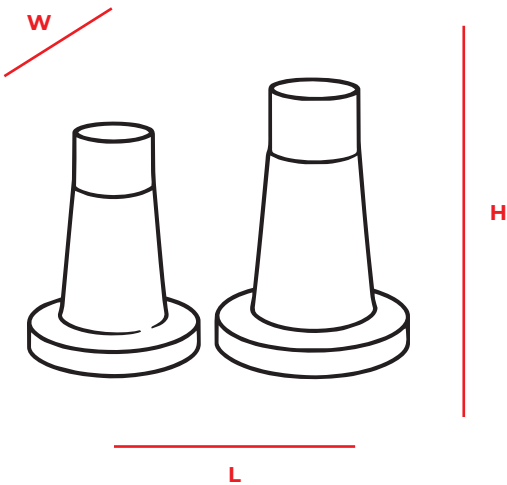

Versatile Mounting Base for Sphere Lights

 **5 YEAR**
Warranty

The ZXN2802 Pedestal is a purpose-designed base for the ZXN1801 Sphere Range, offering flexible mounting on pillars, walls, or flat surfaces. Crafted from UV-stabilised PMMA, it provides both elevation and style to outdoor lighting installations. Available in small and large sizes, this pedestal is built to withstand harsh environmental conditions while delivering reliable performance.

Ideal for residential, commercial, and public space applications where decorative outdoor lighting is required.
