ELEGANT LIGHTING OPULENT RANGE

FLR-2832-BWG

The FLR-2832-BWG ceiling fan combines modern contrast and warm texture with its black metal body and light wood finish blades. This 5-blade LED fan is ideal for interior-led residential and hospitality projects where both airflow and aesthetic appeal matter.

Using a DC motor, it delivers high energy efficiency, whisper-quiet operation, more speed options, reverse functionality, faster response time, and a longer lifespan. The integrated LED light features three selectable colour temperatures — 3000K (warm), 4200K (neutral), and 6000K (daylight) — allowing for flexible ambience control across different spaces.

Product Code	FLR-2832-BWG
Colour	Metal colour: Black Blades colour: Wood grain
Material	Blades: Composite board / 5Pcs Lampshade material: Acrylic
Lamp type	38W LED PCB
LED PCB CCT	3000K, 4200K, 6000K
Motor Power	DC 6W-11W-16W-21W-26W-34W
Motor Spec	DC 153*12
Voltage Frequency	110~240V/50~60Hz

Light source / Power:	LED PCB / 38W-38W-76W
Size	1320mm X 1320mm X 360mm
Switch/Zip	Remote control
RPM	DC 108-134-158-173-185-198 r/min
Weight	8kg
