ELEGANT LIGHTING OPULENT RANGE

ELR-4057-BWW

The ELR-4057-BWW Modern 6-Light LED Chandelier is a statement decorative fitting designed for interiors that require both visual impact and functional light output. Its symmetrical multi-arm arrangement, featuring five satellite LED discs and a central LED light, creates a balanced contemporary look that works especially well in dining areas, open-plan living spaces and other design-led interiors.

For architects and interior designers, the combination of black, white and light wood finishes offers a versatile palette that can complement both modern and softer natural material schemes.
