ELEGANT LIGHTING OPULENT RANGE

FLR-2010-BKMG

The FLR-2010-BKMG is a premium 3-blade LED ceiling fan designed for modern residential and hospitality spaces. With dark wood blades paired to a black metal body, it delivers a refined look that suits both contemporary and warm interior palettes.

Powered by a high-efficiency DC motor, it offers whisper-quiet operation, more speed options, faster response time, reverse functionality for year-round comfort and a longer lifespan for dependable daily use. The integrated LED lighting system includes selectable colour temperatures (3000K / 4200K / 6000K), allowing you to shift from warm ambience to crisp, daylight brightness as needed.
