

UMA 75

The UMA Round 750mm Illuminated LED Bathroom Mirror with Defogger is designed for bathrooms where a softer, more decorative form is required without compromising functionality. Its circular profile and homogeneous LED lighting make it a strong option for architects and interior designers specifying contemporary hospitality, residential and premium commercial bathrooms. The wall glow effect adds visual depth around the mirror, helping the product contribute to the wider bathroom scheme rather than functioning as a purely practical fixture.

Product Code	E89158CI1834
Touch Button	3
Wattage	15W LED
Defogger	21W Defogger
Dimmable	Dimmable LED
