

MIA 80X80

The MIA 800 x 800 Illuminated LED Bathroom Mirror with Defogger is well suited to projects that require a balanced square mirror format with strong visual presence and practical user lighting. Its decorative brushed aluminium frame adds a more premium finish to the bathroom, while the direct LED lighting provides clear frontal illumination that supports everyday grooming and task visibility. For architects and interior designers, it offers a specification-friendly mirror that combines contemporary styling with functional clarity.
