

TVPI/A SINGLE

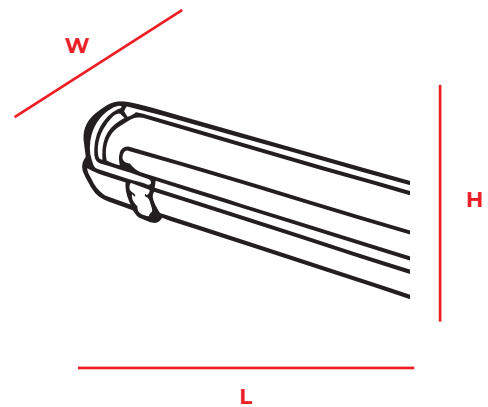

Compact & Industrial-Ready
Vapour Proof

 **5 YEAR**
Warranty

The TVPI/A Single is a surface-mounted IP65 vapour proof fitting, built for harsh environments where dust and moisture are present. Featuring stainless steel mounting clips and a non-corrosive body, it is engineered for durability and quick installation — no drilling required.

Perfect for industrial applications, the unit is compatible with T5, T8 and 240V LED tubes, and includes options for emergency back-up as per SABS wiring specifications (Live and Neutral on one side only).
