ELEGANT LIGHTING OPULENT RANGE

FLR-2164-WLWG

The FLR-2164-WLWG ceiling fan combines natural styling with everyday performance, making it a strong choice for residential, hospitality, and lifestyle-focused projects. With a sleek white metal body and light wood blades, it brings a soft, contemporary finish to a wide range of interiors.

Using a DC motor, it delivers high energy efficiency, whisper-quiet operation, more speed options, reverse functionality, faster response time, and a longer lifespan. The integrated LED lighting system features three selectable colour temperatures — 3000K (warm white), 4200K (neutral white), and 6000K (cool white/daylight) — giving users added flexibility to suit the space and mood.
