

ZXN2801 GALLERIES

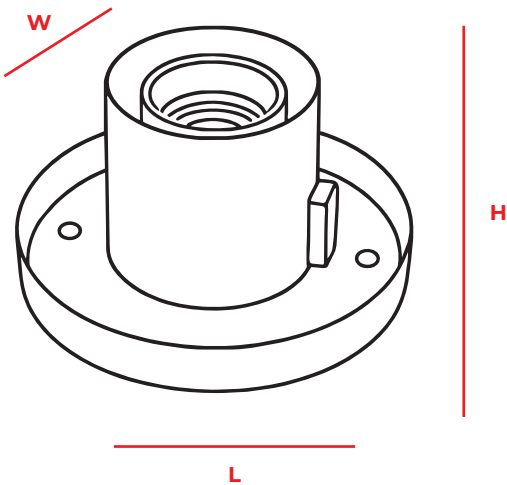

Custom Mounting for ZXN1801 Spheres

 **5 YEAR**
Warranty

The ZXN2801 Gallery range is a durable and stylish solution for mounting ZXN1801 spheres onto 60mm poles. Constructed from UV-stabilised PMMA, it offers excellent outdoor resistance while maintaining a clean and professional finish. Each gallery includes a ceramic E27 lamp holder and is designed for easy integration across different sphere sizes.

Perfect for public spaces, outdoor walkways, parking areas, and commercial sites where aesthetics and performance go hand-in-hand.
