

# B GLAND

Heavy-Duty 32A IP65 Gland  
for High-Capacity Connections

The B-Gland is built for robust commercial and industrial applications, offering reliable power distribution beyond just lighting fixtures. With four connection points – 2 x Live, 1 x Neutral, and 1 x Earth – this gland supports higher loads and larger cables, ensuring seamless installation and secure connectivity in demanding environments.

Ideal for panel builders, lighting installers, and industrial contractors requiring quick, secure connections for 2.5mm<sup>2</sup> – 6mm<sup>2</sup> cables in IP65-rated enclosures.
