

ZXN1801 SPHERES

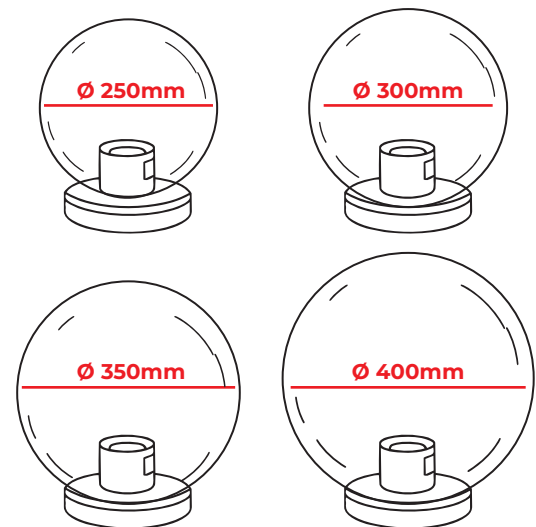

Decorative Outdoor Sphere Lighting

 **5 YEAR**
Warranty

The ZXN1801 Sphere Range is a sleek, weather-resistant outdoor lighting solution, designed to elevate the visual appeal of parks, pathways, residential estates, and commercial landscapes. Made from UV-stabilised PMMA with an IP44 rating, these decorative spheres are ideal for pillar, pole, or wall mounting applications.

With multiple finishes (Clear, Opal, Smoke) and sizes (250mm – 400mm), the range supports E27 lamps and offers complete flexibility for modern exterior projects.
