

MIA 80X150

The MIA 1500 x 800 Illuminated LED Bathroom Mirror with Defogger is designed for bathrooms where scale, lighting performance and finish quality all need to align. Its extra-wide format makes it ideal for larger vanity installations and premium project applications, while the decorative brushed aluminium frame brings a clean, architectural edge that architects and interior designers can integrate into more refined bathroom schemes. The direct lighting system provides strong frontal illumination for the user without compromising the mirror's visual simplicity.

Product Code	E89153C11834
Touch Button	3
Wattage	28W LED
Defogger	15W Defogger
Dimmable	Dimmable LED
Colour Temperature	Smooth Adjustable 2700K - 5700K
Lumens	6035lm
