

TVP2/A DOUBLE

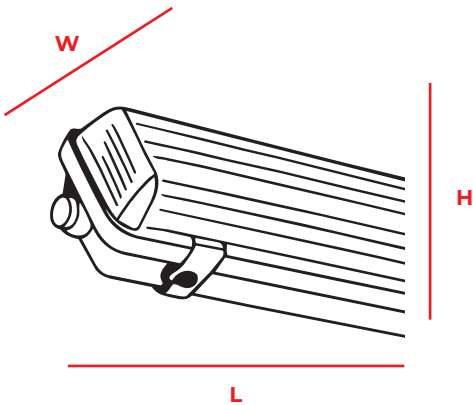

Compact & Industrial-Ready
Vapour Proof

 **5 YEAR**
Warranty

The TVP2/A Double Range is a robust IP65-rated vapour proof luminaire designed for tough industrial and commercial environments with high moisture and dust levels. Its ABS body with stainless steel clips ensures long-term reliability and corrosion resistance, while the UV-stabilised polycarbonate lens offers excellent light diffusion.

Perfect for ceilings in factories, warehouses, and utility areas, the fitting supports both T5 and T8 lamp types or 240V LED tubes (L&N one side only). Emergency back-up options available.
