

SKY-ELE-15

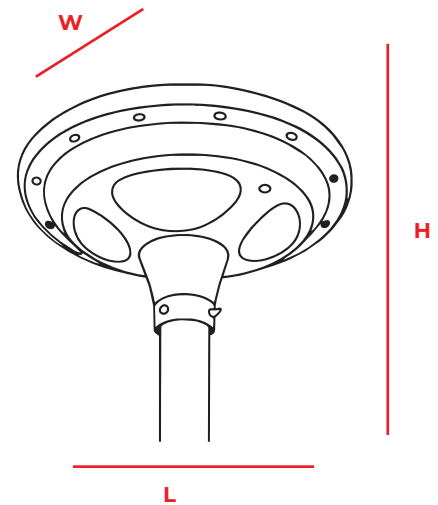

All-in-One Solar Post Top Light

 **3 YEAR**
Warranty

The SKY-ELE-15 is a compact yet powerful solar-powered LED post top fitting, designed for areas with no access to electrical infrastructure. With a fully integrated battery and solar panel, this self-sustaining light provides high brightness throughout the night—no motion sensor needed. Its IP65-rated aluminium body ensures reliable performance even in harsh outdoor environments.

Ideal for estates, public parks, isolated streets, and gate posts, this unit requires zero wiring and minimal maintenance.
