

# COLETTE

The COLETTE Geometric Illuminated LED Bathroom Mirror with Defogger is designed for projects where visual identity matters as much as practical performance. Its distinctive geometric form gives architects and interior designers a more design-led alternative to standard rectangular mirrors, while the homogeneous LED lighting and ambient wall glow effect help create a refined bathroom environment with both decorative and functional value.

<b>Product Code</b>	E89146C11834
<b>Touch Button</b>	3
<b>Wattage</b>	16W LED
<b>Defogger</b>	21W Defogger
<b>Dimmable</b>	Dimmable LED
<b>Colour Temperature</b>	Smooth Adjustable 2700K - 5700K
