ELEGANT LIGHTING OPULENT RANGE

FLR-2747-CFWG

The FLR-2747-CFWG is a stylish and powerful 6-blade LED ceiling fan finished in a rich coffee wood grain tone, ideal for creating a warm, modern atmosphere in residential, hospitality, and interior design projects.

Using a DC motor, it offers high energy efficiency, whisper-quiet operation, more speed options, reverse functionality, faster response time, and a longer lifespan. The built-in LED lighting system features CCT adjustment (3000K / 4200K / 6000K), allowing the light to be tailored to different moods and applications. With the included remote control, users can easily manage both fan speed and light output for added convenience and comfort.
